Get ready to laugh, cry, smile and think.

Twenty-six years ago, my goal and mission in life was to win a New York State Wrestling Championship.

I committed myself to a lifestyle and made the sacrifices.

I put in the time. I had the hunger, the desire, and the determination, but I came up short.

For many years, after I graduated it seemed like I got nothing out of my six years of total dedication to the sport. That the trade-off of what I gave and what I got in return to this sport was way out of whack.

I hated wrestling for it.

To put every ounce of your soul into something and to get nothing out of it in return was beyond my comprehension and I just could not justify it in my head.

Until I had adversity in my life.

And slowly but surely, I started realizing how much the sport of wrestling has given back to me.

Much more than I ever knew.

Dan Gable famously said, "Once you've wrestled, everything else in life is easier."

I would take it one step further and say, "Because I've wrestled, some things in life are possible."

"6 Minutes Wrestling with Life" is much more than a wrestling book.

It is a book on life, love, loss and belief.

They don't call it the greatest sport on earth for no reason. It just took me 26 years to understand why.

Get ready to laugh, cry, smile and think...

Truly Inspirational.

You will never look at life the same way again.
