This jazzy ode to grandmas is just in time for Mother's Day

Today, there's no such thing as a typical grandma. They do different jobs and have different hobbies. But one thing common to all grandmas is the love and wisdom they have to share, and nothing says that better than this rhyming celebration of the modern grandma. From the jellying, jamming, and pickling grannies to the surprising number of tickling grannies, this stylishly illustrated book covers them all.
