Am I tired of working for someone else? How can I start my own business? Can I make my business thrive? If you are an individual with the creative talent, drive and ambition, but need the "how to", this book was written for you. The creative services industry is thriving, even in a tumultuous economy. Now is the time for all with the gift of creativity to join this ever-expanding revolution. Learning how to establish, market and run a business, will allow you to tap into this vast resource. We will show you, how to establish a business with the least amount of capital possible, how then to manage your business, and market it to its full potential. If you are that Creative Warrior, with talent waiting for others to recognize you, stop now. It is time to take control of your life and destiny. Not only will you be fulfilled financially, but you will also be rewarded with the satisfaction of establishing your own business. You will be able to control your own pathway through business, while enjoying it in the process! No one is going to hand you your future on that proverbial "silver platter". It is time to take your life into your hands and make the change to the Warrior inside you.
