Hidden Story Word Search and Variety Puzzles Vol Two. In deciding what to put in this edition, I listened to the fans of volume one who requested that puzzles be grouped into categories instead of mixed together. I also included the puzzles most asked for, like mazes, crypto-families and fallen phrases. Of course it wouldn't be a Hidden Story Puzzle Book without the completed puzzles turning into a cute story. Also included for your gaming pleasure are 36 challenging Sudoku puzzles, and for the first time 10 Challenger Word Search for the avid player looking for a challenge. In this section you are given a theme and how many words we found in the puzzle. It is then up to you to see if you can find as many or more than we did. No word list is provided on the puzzle page, but one is listed (with word locations) in the back of the book. Happy game playing from me to you!
