Hope For Paws Official Keepsake Coloring Book - Black and White Version Bonnie Mulchahey

Hope For Paws is a nonprofit rescue organization that services Southern California. Over the 8 years since Eldad Hagar has founded his team, they have saved thousands of animals in need. I created this book as a tribute to 20 of Hope For Paws most successful rescues. Every puppy has his own story, from beginning to happy end. A page full of beautiful photos that portray the dog's rescue adventure, as well as a beautifully detailed portrait of the sweet baby for you to color. If coloring is not your cup of tea this book is still a must have for any animal lover's collection. Sit back in your most comfortable chair with your fur babies and join us on 20 inspiring adventures of love and hope. The best part of all, is that this book's proceeds will be donated to Hope For Paws so that they may save even more sweet souls from the streets and kill shelters. I released this black and white version for a lower cost. Included on the cover are color photos of each of the 20 dogs so you can see how truly beautiful they have healed.
