Universal Reconciliation: A Brief Selection of Pertinent Quotations Michael Phillips

A valuable resource tool compiled by best-selling author Michael Phillips, which includes a broad selection of readings by various authors on the subject of universal reconciliation. A thorough list of Scriptures is also included, giving scriptural evidence for both opposing views (for and against) this controversial Christian doctrine. In the fifteen years since its first publication, many readers have been helped by this book to navigate with objectivity and balance through the heated arguments that the subject of "universalism" often raises. Phillips' approach in this compilation is unique: He does not attempt to argue for or against any position. He merely lays out the thoughts of others for consideration, and leaves the reader to make up his or her own mind.
