Poetry. "After generations of women writers who helped women and men by saying what was wrong, Sharon Doubiago helps us even more by saying what could be right. She is sexual without submission, loving without loss of self, and free without rebellion. With a poet's power and a novelist's scope, she describes new feelings, new possibilities, and a new closeness to the natural world" - Gloria Steinem. "Doubiago meets the test of the best prophetic writing by looking straight at her subjects without flinching, for finding the exquisite details that elucidate the whole, and for feeling so deeply about the subjects that they acquire the power of song" - Charles Potts.
