Dental Hyginx is a massive collection of drawings that focus on dentistry. The material that currently exists just didn't inspire me, so I wrote and illustrated my own book. There are probably more original cartoons (175+) in these pages than in all of dentistry. The idea is to let Dental Hyginx out of the bag and see what kind of traction it can get. The goal is to raise funds for charity dental care and try to give what I can back to the field of dentistry. Dentists and dental students everywhere - this one is for you. So, clean out a spot on your bookshelf and check out the fresh new world of Dental Hyginx.

Maybe that explains the contents of these pages.
