## **NASCAR Off The Record** Brock Yates

Like any giant enterprise, the NASCAR we see today is very different from the regional race series launched by a visionary Bill France in the late 1940s. Few writers are as intimately aware of that history as Car and Driver's Brock Yates. In the 1950s he recalls the intimate nature of the sport's early years, when he would see the entire Petty family working together, Richard wrenching on the car while his father cooked for the family on a bar-b-que grill. In 1979, Yates was reporting from the pits for ABC at the Daytona 500 when the infamous fight erupted between Cale Yarborough and the Allison boys. His perspective spans nearly 50 years, and his wry observations are always sure to incite both cheers and jeers. NASCAR Off the Record is a pithy, opiniated, hilarious, and compelling collection of some of the greatest NASCAR stories of all time, as told by a man who was present at the scene. About the Author While best known for his columns in Car and Driver and his television reporting, Brock Yates has written numerous books, including Cannonball: The World's Greatest Outlaw Road Race (ISBN 0-7603-1090-4), and The Hot Rod (ISBN 0-7603-1598-1). He also wrote the film scripts for Cannonball Run and Smokey and the Bandit II. His NASCAR stories date almost to the very beginning of the series. Brock lives with his wife Pamela in the towns of Wyoming, New York, and Alexandria Bay, New York. He is the proud father of four children and two grandchildren. Vintage automobile racing consumes his spare time.- From the best-selling author of Cannonball!, Brock Yates takes an irreverent look at the grand spectacle of NASCAR- NASCAR is the largest and fastest growing American automotive racing series

### From reader reviews:

#### **Sarah Davis:**

What do you think of book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book NASCAR Off The Record. All type of book can you see on many resources. You can look for the internet resources or other social media.

#### **Karen Lheureux:**

Book is to be different for every grade. Book for children right up until adult are different content. As we know that book is very important usually. The book NASCAR Off The Record seemed to be making you to know about other know-how and of course you can take more information. It is extremely advantages for you. The guide NASCAR Off The Record is not only giving you far more new information but also to become your friend when you sense bored. You can spend your personal spend time to read your book. Try to make relationship together with the book NASCAR Off The Record. You never feel lose out for everything in the event you read some books.

#### **Alfred Gates:**

This NASCAR Off The Record is great guide for you because the content that is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great arrange word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having NASCAR Off The Record in your hand like having the world in your arm, info in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. occupied do you still doubt that?

#### **David Wade:**

Many people spending their moment by playing outside along with friends, fun activity along with family or just watching TV the whole day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you think reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like NASCAR Off The Record which is keeping the e-book version. So , try out this book? Let's find.
