## Summary & Analysis: Tricky Twenty-Two: by Janet Evanovich aBookaDay

**Warning:** This is an independent addition to *Tricky Twenty-Two*, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from *aBookaDay*. SUMMARY Tricky Twenty-Two is the twenty-second, and most recent novel, in the Stephanie Plum book series, authored by Janet Evanovich. The books tell the story of a woman named Stephanie Plum who stumbles into a career as a bounty hunter. In the beginning, it takes her some time to get the hang of the job. However, in Tricky Twenty-Two she's developed relationships and has an interesting colleague named Lula that provide her with assistance in her work. The book starts out with her colleague, Lula and her trying to talk a woman down from a ledge. Joe Morelli, Stephanie's boyfriend (who's also a cop), shows up and manages to talk the woman down. It's after this that Stephanie goes back to his place where he, unfortunately, dumps her after they have sex. Stephanie leaves his place angry and returns to work the next day with signs of her stress on her face in the form of a zit. She receives two assignments; Ken "Gobbles" Globovic and Billy "Bacon" Brown. The book weaves the main case Stephanie is working around the other assignments she receives. One of the jobs Stephanie receives is from Ranger, assisting as security for a man named Doug Linken, and his wife, Monica when they attend the funeral of Linken's late colleague, Harry Getz. Later in the book, it's revealed that Doug and Harry are Zeta alumni. Gobbles is a Zeta fraternity brother and his story, and the fraternity house, are the main focus of the book. During the search for Gobbles and the investigation into the Zeta fraternity, Stephanie and Lula meet Dean Mintner and Professor Pooka. Pooka is an eccentric biology professor and Gobbles' faculty advisor, as well as the den father (they don't have a den mother because one night one of the brothers got the den mother pregnant) for the Zeta fraternity. Both Mintner and Pooka point Stephanie and Lula in the direction of Gobbles' girlfriend Julie. Stephanie suspects that Gobbles is bunking with Julie so her and Ranger go and check it out. There's no sign of him, and after checking out the apartment, the two decide to go for burgers. It's here that they spot Gobbles, however, he gets away. Throughout the book, the Zetas play pranks on Stephanie and Lula (beer balloons, graffiti and geese in their cars, etc.). This further plays into Pooka's and Mintner's opinion of the Zeta fraternity. However, towards the end of the book, we learn that Mintner and Pooka are out to destroy the fraternity, and are, in fact, the villains. We learn this when Gobbles sends Julie to talk to Stephanie. Julie and Gobbles tell Stephanie that for homecoming the Zetas were planning on creating fireworks with stink bombs attached to them. Gobbles and his friend Becker were in charge of executing this plan. However, they soon found out that they needed help and decided to ask Pooka. It was at this point that things got out of hand. It's revealed that Pooka slowly started to lose his mind and developed a plan to attach tubes filled with fleas that were infected with the bubonic plague virus. When the fireworks went off at homecoming, the fleas would infect everyone on the campus and result in the death of everyone. In the process of working on another assignment, Stephanie is kidnapped by Pooka. Here, she finds Gobbles' friend, Becker, who tells her that he's been held captive for a while and was forced to call his parents to tell them he was okay. Stephanie manages to get free, she gets Becker free, and gets them both out of the house. When she's trying to figure out what to do, Ranger shows up and takes her and Available on PC, Mac, smart phone, tablet or Kindle device. © 2015 All Rights Reserved
