The Forgotten Heroes of Liberty: Chaplains and Clergy of the American Revolution

This volume, written by the highly acclaimed 19th century historian Joel Tyler Headley, explores the vital, but often neglected, role of ministers of the Gospel to the cause of liberty in the founding of this great nation. Headley (1813-1897) gives dozens and dozens of sketches of the men who were literally the spiritual leaders of the American Revolution. Having searched in vain for this volume it is exciting that a brother in Christ from Florida has entrusted this volume to me for this project. This is the history that today's secular historian does not want you or your children ever to know. Here you will be introduced to men who risked their lives and gave their lives for the freedom we now enjoy.
