Biological Psychology: An Integrative Approach

Fred Toates

Biological Psychology: An Integrative Approach Fred Toates

In a visually appealing format, this book demonstrates how such aspects of the brain as neurotransmission and neuroanatomy relate to “real” psychological topics such as emotion, language and learning, sexual behavior, anxiety, aggression, recovery from brain damage, depression, and pain. The book focuses on the structures and function of brain anatomy first, then introduces the resulting behaviors. Topics include: Integrating Explanations; Coordinated Action; Neurons and the Nervous System; The Brain; Development; Sensory Systems—General Principles; Vision; The Other Senses; The Control of Movement; Learning and Memory; From Reflexes to Goals; Emotion; Stress and Coping; Pain; Motivation; Feeding and Drinking; Sexual Behavior; Drugs; Sleep and Waking; Psychopathology; Cognitive Processes and Consciousness. For psychologists.

From reader reviews:

Robert Stewart:

What do you consider book? It is just for students because they're still students or it for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has several personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Biological Psychology: An Integrative Approach. All type of book can you see on many sources. You can look for the internet options or other social media.

Anna Chew:

Here thing why this particular Biological Psychology: An Integrative Approach are different and reputable to be yours. First of all looking at a book is good however it depends in the content than it which is the content is as tasty as food or not. Biological Psychology: An Integrative Approach giving you information deeper and different ways, you can find any guide out there but there is no publication that similar with Biological Psychology: An Integrative Approach. It gives you thrill reading journey, its open up your personal eyes about the thing that will happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your way home by train. In case you are having difficulties in bringing the published book maybe the form of Biological Psychology: An Integrative Approach in e-book can be your choice.

Billy Gallardo:

This Biological Psychology: An Integrative Approach is great publication for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great coordinate word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Biological Psychology: An Integrative Approach in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world inside ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

Ollie Waymire:

You may spend your free time to see this book this reserve. This Biological Psychology: An Integrative Approach is simple bringing you can read it in the park, in the beach, train and also soon. If you did not possess much space to bring typically the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.
