## Join me in my adventure as a Minecraft kitten

Hey friend, its Jack in this story I will finally escape the palace. Out there in the world of Minecraft, no one else will know that I'm a prince. No one but Shoal, who's my best friend. There was no way that I could leave her behind. We always wanted to see outside the palace walls, and that's exactly what we were going to do. I hate the palace. I hate everything about it, and maybe out there we'll find something that makes me a little less angry. Shoal sure seems to think so.
