Welcome to Penelope's Garden, a bewitching coloring book filled with thirteen images of pumpkins, black cats, Venus fly traps, and tiny mice. Grab a cup of witch's brew and settle down for a few hours of enchanting coloring fun. But beware! Penelope may cast a spell on you! Each of my books contain 12 to 15 images with NO repeat patterns. I try and create images that can look very artistic when completed. My books are printed by Createspace, and I use the only white paper offered. Although the images are one sided, if you use markers it may bleed through so I recommend using a sheet behind while you color.
