The Big Fat Book of Watercolor Basics

The Big Fat Book of Watercolor Basics

This book brings together material from the popular Watercolor: Basics series in one handy compilation at a great value.

The editors of North Light have taken the best lessons from each book to create a new title that features tips and easy-to-follow demonstrations for beginners. Written in a clear, simple style that demystifies the process of creating beautiful watercolors, this book covers a broad range of topics drawn from each title in the series, including: -Let's Get Started -Painting Flowers -Color -Perspective Secrets -Painting From Photographs - Drawing and Painting Birds -Painting Snow and Water -Trees, Mountains, and Rocks -Capturing Light - Shape and Tonal Value -People

With 304 pages and an abundance of color illustrations, this book is truly the best single resource for beginning watercolor painters available today. Readers will love having such a comprehensive guide at their fingertips.

From reader reviews:

Annette Puente:

Here thing why this The Big Fat Book of Watercolor Basics are different and reliable to be yours. First of all reading a book is good nevertheless it depends in the content of computer which is the content is as scrumptious as food or not. The Big Fat Book of Watercolor Basics giving you information deeper including different ways, you can find any reserve out there but there is no e-book that similar with The Big Fat Book of Watercolor Basics. It gives you thrill looking at journey, its open up your eyes about the thing which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park your car, café, or even in your technique home by train. In case you are having difficulties in bringing the branded book maybe the form of The Big Fat Book of Watercolor Basics in e-book can be your alternative.

Trey Olivas:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Big Fat Book of Watercolor Basics as the daily resource information.

Charles Wright:

Your reading 6th sense will not betray anyone, why because this The Big Fat Book of Watercolor Basics book written by well-known writer whose to say well how to make book that could be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still doubt The Big Fat Book of Watercolor Basics as good book but not only by the cover but also by content. This is one book that can break don't determine book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your reading sixth sense already told you so why you have to listening to a different sixth sense.

Jimmy Dolce:

On this era which is the greater particular person or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple method to have that. What you need to do is just spending your time almost no but quite enough to possess a look at some books. One of many books in the top checklist in your reading list is usually The Big Fat Book of Watercolor Basics. This book and that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking up and review this publication you can get many advantages.
