The Stock Market for Beginners Book 1: Understanding How it Works in Two Hours (Volume 1) John W. Zinczyk

This book is written for people who know little or nothing about the stock market. It is designed to help the reader retain more than what a casual read would provide. This is accomplished through a simple proven method of easy to fill in blank spaces set in statements at the end of each topic and a multiple choice quiz at the end. A Summary Review also helps retention. This book will provide basic knowledge of not only how the stock market works but also the terms used and how things fit together. These are basic essentials upon which effective investment skills can be developed.
