There is hardly anywhere more Swedish than Dalarna. A large part of the Swedish culture and folklore, from traditions to customs, which is cherished and (re)lived until this very day, comes from this region in the centre of the country. This cultural wealth can easily be combined with the natural beauty that the province has to offer in abundance: vast forests, beautiful lakes (big and small), abundant wildlife, quiet beaches and plenty of space to enjoy all this beauty. This guide 'Walking in Dalarna' describes twenty one day day-tours, spread across the province. The lengths vary from 6.4 to 18.7 km. Some routes are more difficult walks of almost an entire day, whilst others are easier and shorter. Visit the cradle of Swedish culture here. Hiking is an excellent way to discover what Dalarna has to offer. The 21 walks in this guide will show you the way to the most beautiful spots.
