[Read by Rebecca Gibel]

Maggie Hope is an advice columnist with little advice to give-- and it's beginning to show. When she fills in at an interview with champion horse trainer Tru Monahan, the chemistry between them is undeniable. Maggie's bosses know this is the opportunity she's been looking for to launch her career-- and their bank accounts. To save her column, Maggie takes Tru up on the bet that he can teach her to ride a horse like any cowgirl, despite the fact that she has never been on a horse. In the meantime, she can get the scoop on the man under the cowboy hat. To Tru's dismay, Maggie not only invades his small town but also his heart, and that is something he cannot let any woman do-- for her own good.
