Backed by the resources of Independent Feature Project/West, co-authors Nicole Shay LaLoggia and Eden H. Wurmfeld have written the definitive low-budget production manual. Using examples from the Miramax film *Swingers*, this comprehensive manual offers the independent filmmaker a single volume reference covering every aspect of making a film: script rights and rewrites, financing, breakdown, scheduling and budgeting, pre-production, production, postproduction, and distribution. A resource guide listing useful references and organizations, as well as a glossary, complete this manual. The companion CD-ROM features interviews with important figures in the independent film industry, including Billy Bob Thornton and Ang Lee. Forms that are illuminated in the text are also included on the CD for ease of use.

Independent Feature Project/West is non-profit membership organization for independent filmmakers. IFP/West provides its members with access to industry leaders, professional advice, discounts, and rental equipment. IFP/West also provides a comprehensive educational program covering all aspects of the filmmaking process from script to post-production, to marketing and distribution. Since its inception, IFP/West has become the primary support network for filmmakers in Southern California and is a strong advocate for diversity and innovation in filmmaking.
