## **PLAIN PICTURES** KINSEY JONI L

Illustrated with 120 color and black-and-white reproductions showcasing works by George Catlin, Worthington Whittredge, Albert Bierstadt, Georgia O'Keefe and others, Plain Pictures is the first book to address representations of the midwestern prairie as a genre distinct from American western art. In a wide-ranging narrative, Kinsey argues that images of the grassland, far from being plain, offer a paradox of their own: the significance of the subject is equalled only by the struggle to express it.
