Stone's varied interests are reflected in this book, gathered around four main themes. Under the title "Enoch and the Testaments" are assembled studies which present and draw the implications from recent discoveries (including the Dead Sea Scrolls) as they modify the view of these two pivotal documents of ancient Judaism. Another focus of Stone's work has been 4 Ezra or 2 Esdras, a work reflecting the situation of Judaism, and especially to the understanding of apocalypticism, form a third section of the present work, while the particular development of apocryphal literature in Armenian is its fourth division.
