Afakasi Speaks Grace Teuila Evelyn Taylor

This first collection of poetry by award-winning Spoken Word artist, Grace Teuila Evelyn Taylor, marks her debut as a poet who can also move audiences with the written word. *Afakasi Speaks* explores the complexities of Afakasi identity, of those that, as Taylor puts it, "taste the bitter sweetness of the space between brown and white," identifying as Samoan and English. These brave poems give voice to the power of family and language even as they reveal painful colonial legacies.

Jerry Jackman:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Afakasi Speaks can make you feel more interested to read.
