Blind Faith

Sarah Durandt knows the killer is dead. She watched him die from a lethal injection in the execution chamber. But Sarah finds little comfort in knowing that the deranged psychopath who murdered her husband and son will never kill again. Since he never revealed the location of their bodies, she never found a sense of closure. So now, Sarah has decided to return to her home in the Adirondacks, to search for whatever remains of her loved ones. An unmarked grave. An article of clothing. Anything to make this terrible dream seem real. But what Sarah uncovers is far more unnerving?and much too horrifying?to even consider...

Maybe they executed the wrong man. Maybe the killer is still out there.

Maybe, for Sarah, *the nightmare is just beginning.*
