Fighter:: Live Life Like A Champion Jenae Noonan, Karla Noonan

Fighter is written by world's bronze medalist Jenae Noonan. Jenae cleverly places the reader in her shoes and leads them on a journey to prepare for a fight as a parallel of how to prepare for achieving personal dreams and goals. She chronicles her journey from the first inception of becoming a fighter, to imagining what the victory of winning feels like. Each chapter of the book has a "recap" in which the reader can personalize their own plan for achievement. In addition to sharing about the joy of achievement, Jenae also writes about personal obstacles (learning disabilities among them), disappointments and, yes, perceived failure. She encourages the reader to be aware of the opportunities that may be present in spite of what she calls "setbacks". Fighter is a motivational and inspirational book appropriate for all readers who dream a dream.
