Vida Loca Fabio Borquez

Borquez's nudes always look honest, authentic, and direct

There's a spark when these women take off their clothes and show their sex appeal for Borquez. There's a fire when they recline on the sofa and look at the reader, aware of this voyeuristic moment full of sensual tension. Fabio Borquez allows the women to be vamps and sweethearts, but most reveal the Marlene, the femme fatale, and not the innocent angel. He believes that photography is a game with the camera, and its rules are written by the moment—a constantly changing moment.
