Whered You Go Bernadette (Thorndike Press Large Print Basic) Maria Semple

" I tore through this book with heedless pleasure."

- Jonathan Franzen, author of Freedom

Bernadette Fox has vanished.

When her daughter Bee claims a family trip to Antarctica as a reward for perfect grades, Bernadette, a fiercely intelligent shut-in, throws herself into preparations for the trip. But worn down by years of trying to live the Seattle life she never wanted, Ms. Fox is on the brink of a meltdown. And after a school fundraiser goes disastrously awry at her hands, she disappears, leaving her family to pick up the pieces.

Which is exactly what Bee does, weaving together an elaborate web of emails, invoices, and school memos that reveals a secret past Bernadette has been hiding for decades. "Where'd You Go Bernadette" is an ingenious and unabashedly entertaining novel about a family coming to terms with who they are, and the power of a daughter's love for her mother.
