## Edges Léna Roy

After his mother dies and his father begins drinking again, Luke decides to leave New York City. Though he's just sixteen, he finds a job and friends in fantastic, otherworldly Moab, Utah—the last place his family was happy together.

Back in New York, eighteen-year-old Ava finally admits she has a drinking problem. But life doesn't automatically get easier when she joins Alcoholics Anonymous.

When circumstances—or fate—bring Ava to Moab as well, she and Luke both must figure out how to heal their families and themselves.
