Lakota: An Illustrated History Sergio Macedo

Here is the unforgettable story of the Lakota people, the courageous Sioux warriors of the Great Plains who made a last stand against the White invaders. Through the eyes of Thunder Eagle, a gifted young warrior training to become a medicine man, Sergio Macedo brilliantly recreates the ancient way of life of the Plains Indians: the hunt for the life-giving buffalo, the warfare between traditional enemies, the quest for understanding of the Sacred Way. Against this background unfolds the saga of their conquest, the famous battles of the Sioux Wars as these heroic people struggled to maintain their way of life and their very lives in the face of a transformation they would not stop. A graphic novel.
