Samplers from A to Z

Pamela Parmal, Pamela A. Parmal

Samplers from A to Z Pamela Parmal, Pamela A. Parmal

For centuries, the sampler has been a mainstay of the seamstress's craft, at once a didactic tool, a commercial showcase, and, frequently, a work of art in itself. This beautifully illustrated, accessible book presents a look at some remarkable samplers and offers a concise history of the form as well. Arranged like an alphabet, *Samplers from A to Z* concentrates on 26 examples, each chosen to illustrate a key facet of sampler artistry. The topic covered range from alphabets, embroidery, and cutwork to landscapes, spot samplers, and whitework. Pamela A. Parmal, who is also curator of the current exhibition of samplers at the Museum of Fine Arts, Boston, provides an overview of samplers and their role in industry and education throughout their history. This succinct, colorful book is ideal for anyone interested in the technique, history, or astounding beauty and variety of samplers.
