Silent Storm Ida Lambert

After witnessing her mother's and older brother's suffering and deaths from cancer, Ida Lambert wanted to do something to fight the disease. When she, herself was stuck with a debilitating disease in 1992, she used an alternative treatment.

Silent Storm is an **exposé** that explores and memorializes some of the trials, triumphs, and fears that Ida and other patients faces when Dr. Burton's clinic was raided by the FBI/FDA. With warmth, clarity, passion and an eye for detail, Silent Storm *not only entertains but it may also encourage readers to rethink their views of medical care in this country.*
