Women to Remember

Kathryn Tucker Windham

Women to Remember Kathryn Tucker Windham

In these stories of her mother, her Aunt Bet, and other women who influenced her, author and storyteller Kathryn Tucker Windham reveals the complexity of Southern women in the days before feminism entered the common vocabulary. A legacy of independent women permeates these recollections: women who managed households, who became entrepreneurs, and who managed public facilities. The women she remembers may have been fair, but they certainly were not weak.
