Piet Byleveld is a super detective. Honoured by the International Police Association as one of the top three detectives in the world, he has assisted the FBI, Scotland Yard, the Canadian police and Mossad with their serial-killing investigations. But it is in South Africa where he perfected his technique, solving some of the country's most famous cases and catching some of the world's most dangerous killers. In this book, journalist Hanlie Retief, who had exclusive access to Byleveld's dossiers, writes about the notorious serial-killer cases and other murders Byleveld solved. She weaves into it the story of Byleveld's own life. The book includes full-color photographs from police records throughout. It is astounding detective work told in a punchy, hard-hitting style.
