Cultural Issues: Creation/Evolution and the Bible Parent Lesson Planner Master Books
Prepare students to stand strong against the secular onslaught!

- Over 50 faith-affirming topics, including fossils, the age of the earth, the beginning of life, and more
- Students are given insights to the arguments brought against the faith, and the solutions from the Bible and observational science
- Curriculum based on the best-selling *Answers Series* from Answers in Genesis!

We will one day all face destructive influences found in the workplace or school environments. Here is a curriculum developed to provide the answers to so many objections of the faith. Students will learn to apply the Biblical worldview to subjects such as evolution, carbon dating, Noah's ark and the Flood, and more. Here are the answers to help you know the depths of God's wisdom found in His Word and in His world, and why this matters to your life, your family, and your faith.

Materials are organized by each book in the following sections:

- Study Guide Worksheets
- Practical and Semester Tests
- Answer Key

Features: Each suggested weekly schedule has four easy-to-manage lessons which combine reading and worksheets. Worksheets and quizzes are perforated and three-hole punched - materials are easy to tear out, hand out, grade, and store. As always, you are encouraged to adjust the schedule and materials as you need to in order to best work within your educational program.
