## **Growing Things (Cycles of Life)** Carolyn Scrace

This new series gives a simple introduction to the cycles of life for very young children. Flip the flaps to see what happens next! Stunning illustrations using the device of split pages reveal the fascinating development of a subject over time. Each image is taken from the same viewpoint, so children can follow the changes taking place. Watch as a bean is planted. See how it sprouts roots and grows into a huge plant producing first flowers and then fruit.
