That first fly-fishing lesson leads to a host of encounters, each contributing to the understanding that the meaning of life has nothing to do with a peaty single malt scotch crisply splashed over ice, but the journey does. The cast of characters, each contribute to Bryan's understanding that what you learn is never as important as what you will do with it.

In the end, after Bryan learns life's single truth and the secret to all happiness, we return to the monster steelhead. However, life is not always what it seems and Bryan faces an unexpected ethical challenge. Confronting that challenge Bryan uncovers the final piece of life's puzzle, that there is a life going on around us that is all too frequently missed. Realizing that the peripheral life holds countless rewards, he discovers that there are even more gratifying prizes when you do the right thing.
