Law of Delict in South Africa Rob Midgley, Max Loubser, Andre Mukheibir, Devina Perumal, Liezel Niesing

The book is a true student textbook that combines a strong theoretical foundation with a practical applied approach. A clear, concise yet rigorous introduction to the general principles of delictual law.

Revised and updated, the second edition focuses more strongly on problem solving application. The text supports learning and the development of independent academic skills through various learning features which bring an applied, critical and reflective approach to the content.

The structure of the book reflects the logical and systematic process of enquiry that is followed when assessing or preparing for a delictual matter, and it reflects clearly the distinctions between the Aquilian action, Germanic action and *Actio iniuriarum*.

Pedagogically developed as a learning resource for students with varying backgrounds and skills levels. Supported by ancillary teaching materials which assist in teaching and learning.
