The Big Clock! a Kid's Guide to Munich, Germany Penelope Dyan

Munich is the capital and the largest city of the German state of Bavaria and is located on the River Isar, north of the Bavarian Alps. It is the third largest city in Germany, right behind the cities of Berlin and Hamburg. And while all of this may be very interesting to an adult, tell this to a child and that child will yawn and think, "Boy, is that boring!" There are no such boring facts in this book written by the award winning author, attorney and former teacher, Penelope Dyan and complemented with the photographs of John D. Weigand, former television director of engineering. This book is strictly for kids and shows the things that really catch the eyes of a child. Mixed into this is a text that uses word recognition and rhyme so that a kid can shout out what is coming next and thereby enhance reading skills! Then to make the learning process even more fun, look for the music video that goes along with this book. You can find it on the Bellissimavideo Channel on YouTube. The Dyan/Weigand books are about imparting the love and joy of learning to a kid, and nothing more, proving once again you simply can't go wrong with a Bellissima Book!
