This text belongs to a fiction about a slave movement in the BDSM community – a realistic story, which might happen in the world we effectively know, without Utopian laws inverting moral consent, only with more BDSM people and a single billionaire investing to be a slave, not to buy slaves. In the unspecified present of this story there is a chronological point zero, the enslavement: when the billionaire and other seven friends become the first slaves of the system they have created for their own slave life, as property owned by the former loving slave, and then mistress of the billionaire, Lady Ebony – but onto their well planned existence outbursts much drama, sentiment and personal story, through a mysterious young woman (a rich heiress, cursed by her heritage, and a classy child), who will have a decisive impact on the whole story, as Ebony's lover and the charismatic Great white slave, beloved by the whole community. This book does not however retell their story (to be written in the next volumes), but illustrates the philosophy of their peculiar flavour of slavery (a voluntary, long term sexual slavery, compatible with life in vanilla world, but implying strict adherence to an accepted norm in its personalized form) as the internal manual, introducing to their lifestyle, strongly oriented on the needs of their submissives, and suggesting thousand realistic ways to fulfil their most perverted dreams within a possible utopia – so possible to be appear through this page, in every kink detail, in each submissive dream, as real as our normal vanilla world.
