This set of two CD-ROMs has over 71,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems, and Reader software is included. Advanced search and indexing features are built into our reproduction, providing a complete full-text index. This enables the user to search all the files on the disk at one time for words or phrases using just one search command! The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material. There is no other reference that is as fast, convenient, comprehensive, and portable!

Our CD-ROMs are privately-compiled collections of official public domain U.S. government files and

documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work, utilizing the benefits of the Acrobat format to uniformly present thousands of pages that can be rapidly reviewed or printed without untold hours of tedious searching and downloading.
