Brightest of Silver Linings

Ph. D. Carol Jean Masheter

Brightest of Silver Linings Ph. D. Carol Jean Masheter

Few people have heard of Carstensz Pyramid, a sharp fin of limestone 16,000 feet above sea level, surrounded by mountainous jungle in Papua, a part of the world wracked by political and tribal violence, where kidnappings of climbers still occur. Why bother to climb such a troublesome, little-known peak? This book describes Carol Masheter's decision to climb Carstensz Pyramid at age 65, how she prepared for and experienced the strenuous hike through the jungle, the steep climb up a limestone wall of 2,000 feet, the hand-over-hand Tyrolean traverse, the challenges, joys, and lessons learned on the "other side of nowhere."
