## **Business Enterprises--Legal Structures, Governance, and Policy: Cases, Materials, and Problems**

Douglas M. Branson, Joan MacLeod Heminway, Mark J. Loewenstein, Marc I. Steinberg, Manning Gilbert Warren, III

This book undertakes a traditional, and inclusive, approach to the law of business organizations. The volume includes materials many books now on the market omit, such as agency and unincorporated business associations, while at the same time maintaining a wide breadth of coverage. As such, the book permits professors to emphasize closely held and other non-public companies while at the same time offering the basics on public company law and practice.
