Post-Punk Then and Now

Sue Clayton, Kodwo Eshun, Green Gartside

Post-Punk Then and Now Sue Clayton, Kodwo Eshun, Green Gartside

What were the conditions of possibility for art and music-making before the era of neoliberal capitalism? What role did punk play in turning artists to experiment with popular music in the late 1970s and early 1980s? And why does the art and music of these times seem so newly pertinent to our political present, despite the seeming remoteness of its historical moment?

Focusing upon the production of post-punk art, film, music, and publishing, this book offers new perspectives on an overlooked period of cultural activity, and probes the lessons that might be learnt from history for artists and musicians working under 21st century conditions of austerity.

From reader reviews:

Beth Stewart:

A lot of people always spent their particular free time to vacation or even go to the outside with them household or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that's look different you can read a book. It is really fun for you. If you enjoy the book which you read you can spent the whole day to reading a reserve. The book Post-Punk Then and Now it is extremely good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore quickly to read this book through your smart phone. The price is not very costly but this book has high quality.

Arthur Lee:

Many people spending their time frame by playing outside along with friends, fun activity having family or just watching TV the entire day. You can have new activity to enjoy your whole day by looking at a book. Ugh, ya think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like Post-Punk Then and Now which is having the e-book version. So , try out this book? Let's find.

Arthur Seaton:

A lot of book has printed but it is different. You can get it by internet on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever through searching from it. It is referred to as of book Post-Punk Then and Now. You can add your knowledge by it. Without causing the printed book, it might add your knowledge and make you happier to read. It is most significant that, you must aware about publication. It can bring you from one destination for a other place.

Ella Oxley:

Publication is one of source of understanding. We can add our expertise from it. Not only for students but native or citizen require book to know the update information of year to be able to year. As we know those guides have many advantages. Beside many of us add our knowledge, also can bring us to around the world. From the book Post-Punk Then and Now we can consider more advantage. Don't one to be creative people? To be creative person must want to read a book. Simply choose the best book that acceptable with your aim. Don't always be doubt to change your life at this time book Post-Punk Then and Now. You can more desirable than now.
