Students will eagerly share their impressions about literature with our unique skill based Reading Response Forms. Each book in the series contains 36 worksheets that are engaging, purposeful and graded appropriately. Encourage all students to think more about what they read and confidently share their observations and opinions. Each worksheet focuses on one of the following skills based on Bloom's Taxonomy: remembering, understanding, applying, analysing, evaluating, and creating. Also included is a detailed implementation guide, selection of hands-on activities, student assessment rubric, word puzzles and comprehension quiz. The color graphic organizers will assist the introduction of the skill focus and in guiding your students through the thought process to complete an introductory sheet. These materials may supplement your present reading program or be used for independent student work. All of our content meets the Common Core State Standards and are written to Bloom's Taxonomy.
