## **The US Nursing Home Industry (Contemporary Industry Studies) Robert A Giacalone**

An in-depth analysis of the nursing home industry in America -- its past, present, and future. It focuses on the business aspects of the industry, and provides a detailed examination of the main issues concerning all nursing homes -- trends in health care expenditures; the legislative history of the industry; growing demand for care and how to measure it; the present structure of the industry; funding and financing concerns; government regulation; inter-industry competition and opportunities for growth; global comparisons; and public policy considerations.
