Ivan heard a snapping sound, the sound of the man's holster being opened. He took a few more steps and stopped. Ahead was the stable. It was empty. He stood still, waiting.

The official came up close behind him, aiming his pistol to the back of Ivan's head. "You know where your next assignment is, don't you?"

To Elena is the true story of a young woman who learns to survive amid the oppression of a government that silences or kills anyone it considers an enemy of the state---anyone educated, anyone wealthy, anyone who does not conform to the government's way of thinking.

Fifteen-year-old Elena's family has been torn apart by the Communist Revolution. Living in remote Siberia, she is trying to find new purpose when a mysterious man appears in her village---an exile whose controversial message sabotages all her plans and sends her life tumbling in a new direction. Will she survive the Communists and escape the horrors of World War II?
