## **All That Glitters** Pearl Lowe

In the 1990s, Pearl Lowe was a singer in the hugely successful pop group Powder, a fashion model, and a friend to some of the most famous people in the world. A beautiful woman with a glamorous career and a family she adored, Pearl had it all. But soon she began taking an increasingly potent string of drugs and drinking to excess. As her family and body crumbled around her, Pearl realized she had to make a choice: confront the demons, get clean, and have her life back, or give up and slip further into addiction. Pearl made her choice: these days she lives with her children and husband in the British countryside and designs her own clothing line. Inspiring and riveting, this is the autobiography of a woman who almost failed to escape a world that is relentless in its destructiveness despite its scintillating appearance.
