Living a Lie - A Transgendered Journey Jamey Lynne Bishop

"Living a Lie - A Transgendered Journey" is the first book on the topic to deal with the issue of Gender Identity Disorder from an internal viewpoint. In contrast to previous works written by psychologists who study the transgendered and offer their own rationalizations for the phenomenon of GID and those written by transsexuals who regurgitate the party line; this book redefines those erroneous concepts and corrects much misinformation on the transgender phenomenon.
