Shark's Fin and Sichuan Pepper: A Sweet-Sour Memoir of Eating in China Fuchsia Dunlop

“Destined, I think, to become a classic of travel writing.”?Paul Levy, *The Observer*

After fifteen years spent exploring China and its food, Fuchsia Dunlop finds herself in an English kitchen, deciding whether to eat a caterpillar she has accidentally cooked in some home-grown vegetables. How can something she has eaten readily in China seem grotesque in England? The question lingers over this “autobiographical food-and-travel classic” (*Publishers Weekly*).
