The lifelike precision that Sueellen Ross instills in her stunning paintings of dogs and cats is amazing. She uses graphite, India ink, watercolors, and colored pencils to achieve incredible effects. Her technique results not only in natural, true-to-life depictions of our furry companions, but also of their loving spirits and unconditional affection.

There's nothing mini about the reaction to an adorable kitten--or to Sueellen's paintings of these cute and frolicsome little bundles of fur. Twelve of her most endearing are included in this small wall calendar.
