The Mind of the Fathers

George S. Bebis

The Mind of the Fathers George S. Bebis

This collection of essays expresses and represents basic thought and teaching on the theology, the life, and the praxis of the Fathers of the Church in the Orthodox Tradition. According to Bebis, "in studying their works and contemplating their lives, one can see the impact that Christ had upon them and the liberating power of the Holy Spirit upon every aspect of their thought and endeavor." Topics covered in the volume include tradition and worship in the Fathers, and essays on the Church historian Eusebios, Gregory of Nyssa's Life of Moses, John Chrysostom, Dionysios the Areopagite's Ecclesiastical Hierarchy, Photios the Great, Nestorios, and Nikodemos the Hagiorite.
